America Recycles Day!

Green Basket Prize Winners

Deb Hart and Tom Smith were the winners of our America Recycles Day Green Basket Drawings

Deb and Tom pledged to learn which materials they could recycle locally, act by reducing the amount of waste they produce, recycling what they can, and purchasing items made from recycled content, and share by encouraging family and friends to take action. **(Green Basket Items: Reusable Bento Box, Reusable Water Bottle (made from 92% recycled bottles), Reusable Lunch Bag & Bamboo Cutlery (10% of the profits go to sea life rescue & rehab), Reusable Paper Towels, Reusable Sandwich Bags (not pictured)**

Our Mission: *Keep Fremont Beautiful is a public education non-profit organization dedicated to improving waste handling practices and engaging our citizens in taking a greater responsibility for improving the community environment.*

CLEAR THE SNOW

Fremont Ordinance 8-602: It shall be unlawful to permit snow, ice or mud to accumulate or remain on sidewalks. Such sidewalk shall be cleaned within eight (8) hours of the cessation of any storm or before 10 a.m. if snowfall occurred overnight.

CHRISTMAS TREE RECYCLING

REDUCE WASTE – SAVE LANDFILL SPACE – BEAUTIFY FREMONT

The City of Fremont Parks and Recreation Department is offering free Christmas tree recycling. Trees may be dropped off at any time from December 24th through January 8th. This recycling opportunity is for real trees only. Ornaments, wire, stands, and plastic bags must be removed. S2 Refuse & Recycling has donated their services again this year to provide trash receptacles at the drop site so unwanted items can be disposed of prior to recycling your tree. Collected trees will be ground up into wood chips and used as mulch throughout the Fremont Parks system.

DECEMBER 24th – JANUARY 8th · LENIHAN BUILDING PARKING LOT
(Between 9th & 10th on the east side of Broad Street)

Glass, Cardboard & Residential Tree Debris Recycling

The City of Fremont offers FREE glass, cardboard, and residential tree debris recycling on Saturdays from 8 a.m. to noon, just north of the Platte River Bridge on S. Broad Street (HWY 77).

Thank the City of Fremont, Ripple Glass, and Waste Connections for providing these free recycling opportunities by recycling right!
